[57] CLAIM

The ornamental design for a telephone handset, as shown substantially and described.

DESCRIPTION

FIG. 1 is a perspective view of a telephone handset in accordance with the present design, wherein the broken line showing of a base unit on which the handset is installed in a cradle is for illustrative purposes only, and forms no part of the claimed design;

FIG. 2 is a second perspective view thereof, depicting the handset removed from its cradle in the non-claimed base unit described above;

FIG. 3 is an enlarged front elevational view thereof;

FIG. 4 is an enlarged rear elevational view thereof;

FIG. 5 is an enlarged right side elevational view thereof, the left side being a mirror image;

FIG. 6 is an enlarged top plan view thereof; and,

FIG. 7 is an enlarged bottom plan view thereof.
